Teacher Training Program at Cubs – The Preschool

Before the new academic year begins, teachers at Sankalp School and Cubs – The Preschool undergo a 30-hours training program over 10 days. Guided by Mr. Deepak Agarwal (15+ years in education) and Ms. Yogita (14+ years of experience), the training equips teachers with essential skills in teaching methods, classroom management, and child development. This ensures our educators are fully prepared to deliver quality education from day one.
