## Cubs- The Pre School Teachers Training Program

Teachers from Cubs Preschool campuses in Vijayapura, Raichur, and Bengaluru underwent a training program conducted by Mr. Deepak Agarwal and Ms. Yogita Agarwal, founders and mentors of Cubs and Sankalp Schools, with over 20 years of expertise in teacher training. The sessions focused on child care, classroom management, activity-based learning, and understanding that every child is unique and learns differently. Cubs Preschool is among the few preschool chains in Karnataka where teacher training is mandatory before teachers enter classrooms, ensuring a nurturing and high-quality learning experience.
